Ramit Sonar

Full Stack Developer | MERN Stack | Computer Engineering Student
Lalitpur, Bāgmatī, Nepal

Summary

Hi, I'm Ramit Sonar, a Computer Engineering student and Full Stack MERN Developer passionate about building modern web applications that solve real-world problems. I enjoy turning ideas into functional, user-friendly solutions and continuously improving my skills through hands-on projects. I believe in writing clean, maintainable code and learning by building applications that create meaningful impact. I'm always eager to explore new technologies, collaborate with other developers, and take on opportunities that challenge me to grow both technically and professionally. Currently, I'm seeking internships and entry-level software engineering opportunities where I can contribute, learn from experienced professionals, and continue growing as a Full Stack Developer. Let's connect and build something impactful together.
